

# DO YOU HUNGER TO MAKE A DIFFERENCE?

**One meal | Delivered by a compassionate volunteer | Every day**

These three critical elements have proven year after year to transform the health and well-being of the Beloit area seniors we serve.

**Uncertainty of \$37K in Federal Funding**

**For almost 50 years,** Beloit Meals On Wheels has been guided by a single goal - to support our senior neighbors to extend their independence and health as they age.

**On average the need & number of meals have increased 7% each year**

**Our clients eat better and feel better!**  
They stay in their homes, living with dignity and respect. They are happier, and they are not isolated.

**Most importantly, our seniors remain strong** and healthy, not allowing disease or illness to take their spirit away.

**Last year, Gifts of Love donations were down almost 35%**

**Friends - Now more than ever, we need your help!**
